

Preschool Field Officer Program

Supporting Educators to plan for and support the diversity of children.

Gateways Preschool Field Officers (PSFO) are degree-qualified early childhood educators with experience in planning and delivering high quality inclusive kindergarten programs.

This DET funded program is focused to help you build your capacity to plan and deliver a kindergarten program that provides for the access, learning and development, and meaningful participation of children with additional support needs.

How the PSFO can support you:

- Provide you with assistance to respond to parents'/carer's concerns regarding their child's development and support the partnership between educators and families.
- Provide information, resources, strategies and identify adaptations that can support the inclusion of the individual child.
- Contribute to the assessment of the child's capabilities as well as their learning and development needs.
- Provide you with planning support that respects, acknowledges and complements your expertise in supporting children's learning and development.
- Model specific skills, suggestions and strategies.
- Identify referral pathways and facilitation of linkages for families for the range of child and family supports, including more specialised assessments and services when required.

? Who is this for?

- Early Childhood educators of children in state funded 3 & 4 year old Kinder programs.

Locations

- Geelong, Queenscliff, Bellarine, Surfcoast, Colac, Otway, Portland and Hamilton
