ABOUT GATEWAYS

Gateways Support Services is a leading community organisation that has been making a positive difference in the lives of children, adolescents and adults with a disability or additional need and their families for more than 40 years. We specialise in supporting people with autism, intellectual disability, and complex behaviours.

We are an NDIS and DFFH registered disability service provider with quality accreditation, delivering a range of specialised support services with local knowledge and expertise.

Why Choose Us?

Our dedicated staff are highly trained, allowing them to deliver all supports safely and to be leaders in the disability community. We see the potential and strengths of every person we support. Our team is here to support people with a disability to make choices and achieve their goals so they can enjoy meaningful lives in their community.

Gateways' mission is to empower and support children and adults who have a disability or additional need and their families to maximise their quality and enjoyment of life, potential, and their positive inclusion within the community.
