Funding

If you have an NDIS plan, NDIS rates apply. These activities are covered under 'Core Supports' or 'Social and Community Participation.'

Support costs are taken from your NDIS plan. Out-of-pocket costs are separate and some non-face to face charges apply.

Out-of-pocket costs and pre-booked activities

Some activities have extra costs, which depend on the activity eg. entry fees. We aim to keep these costs as low as possible.

Gateways pre-books some activities. If you cancel and we can't fill your spot, you may still need to pay the activity fee. Please give us as much notice as possible to avoid this.

Important update for recreation fees

NDIS no longer covers activity fees. These must now be paid out of pocket. All activity costs must be paid in full before the program begins. We have payment options available, please contact us for more information.

Pick up and drop off service

Transport to and from the program may be available at an extra cost to your NDIS plan. This depends on the program and support worker availability.

Please contact us to arrange transport support.

Level of Activity

Each program has a level of activity, which you can view below in the activity information.

Running late to an activity or for pick up?

If you are running late, please call us as soon as possible.

If you're running late for drop-off and we don't hear from you, and it's more than 10 minutes past the scheduled time, the group may leave, and any late participants might miss the session. If you're late for pick-up at end of day and our staff are required to stay longer, you may be charged for the extra time.

★ 0488 666 856 - Weekend and afterhours

★ 03 5292 929 206 - Monday to Friday 8:30am - 4:30pm

Cancellations

If you cancel within 7 days of the program (including due to illness or COVID-19), you may still be charged for support, as per the NDIS price guide. The cost will depend on whether we can fill your spot.

Some out-of-pocket costs may apply if we can't find a replacement, no matter when you cancel.
