Make a difference in the life of a person with a disability in your community

As a Gateways volunteer you can help to make a child, young person or adult with a disability feel valued, included and supported. There are different types of volunteering. You can choose what suits you best.

Recreation Volunteer

Support people to actively participate in Gateways recreation and holiday group programs, which include activities such as beach days, visits to attractions, movies, cooking, overnight and term holiday camps, and more.

Corporate Volunteer

Small group projects that can be completed by a team of staff wanting to give back to their community. There are many ways you can help such as gardening, painting or simple building projects. *(Geelong only)*

Volunteering at Gateways Community PLACE Geelong

Gateways' multi-purpose headquarters in North Geelong has inclusion at its heart. With a range of services, programs and events happening at this special PLACE, there are many opportunities to lend a hand as an individual or group. Contact us to find out more.

Interchange Host (Buddy Program)

A volunteer is matched to a young person with a disability to meet regularly and have some fun together. Do it individually or with your whole family!

Fundraising

Help raise much-needed funds by giving a few hours at Gateways fundraising events.
