

Visiting Santa

**At Christmas time children can
visit Santa at the shops**

Santa looks like this

Visiting Santa can be fun

**There may be other people
visiting Santa when I go.**

I may have to wait for my turn

I can stand next to Santa

Or I can sit next to Santa

Or I can sit on Santa's knee

Santa will talk to me.

He will ask me what toys I like.

I can tell Santa what toys I like.

**I can have a photo taken
with Santa**

**The photographer will take some
photos of me with Santa**

**I can keep the photo with Santa as
a special memory.**

**My turn is finished, I can say
'goodbye Santa'**

I can put my photo with Santa here

***Thank you to Westfield Geelong for bringing
Sensitive Santa to Geelong this Christmas***
